

Suzanne - Double oven, Halesowen

Just had to thank Robin for the fantastic job he has done cleaning my double oven this morning. Couldn't quite believe the sight of my bright sparkling oven that greeted me on my return from work, it was in complete contrast to the dreadful state I had left it in the morning. Will certainly be recommending your courteous and efficient service to my friends and will endeavour to have it cleaned on a more regular basis in the future.

Bex - Single oven, Halesowen

Excellent, professional job. Oven was left gleaming and sparkling. Even the grill tray was given Robin's magic touch! Robin completed the job whilst I was at work. My kitchen was spotless when I returned. I am now frightened to use my oven, in fear of undoing his marvellous work. Have already recommended his services to all my friends and family.....worth every single penny.....

My oven had not had a really good clean for a very long time and I do a lot of cooking. Rob from Oven Clear came along and completely stripped my cooker down, cleaned it and left it looking like new. Clean working, friendly and a good price, I would recommend Oven Clear to everyone.

Hilary - Range cooker, Halesowen

I chose Oven Clear as it was the only company that replied to my phone call immediately, quoting a reasonable price. Robin from Oven Clear was punctual, dressed smartly and came well prepared. After seeing the cooker we what else could be done, we fixed a price and that was it. To my shame it took Robin a long time to clean my cooker but the result was amazing. A new cooker! I have now booked an annual clean, it'll be money well spent. I recommend Oven Clear unreservedly!

Elaine - Range cooker, Cradley Heath

After months of trying to get my oven cleaned I contacted Oven Clear who promptly returned my initial query and arrived at exactly the time arranged. Robin looked very smart, was extremely polite and cheerful and I have to say that I was impressed with the whole operation. He worked extremely hard, was very thorough and took pride in his work, there was no mess and my cooker looks brand new, So much so I didn't want to use it. Well worth the money and I have already asked that he contact me in 12 months time to arrange another appointment. I can't recommend him highly enough.
